## Rally 2008 25th Anniversary Rally

Bently Wildfowl and Motor Museum

2008 was a particularly exciting year for the club, as it celebrated it's 25th anniversary. To commemorate this milestone, the club put on it's first ever two day rally, going back to the site of it's first ever rally, Bentley Wildfowl and Motor Museum. The weather couldn't have been kinder, and over the weekend we had an impressive number of cars attending, auto jumble, an auction, children's rides, charity Scalextric and a beer tent.
